11. At the U.S. Trustee's discretion, one creditors committee may be appointed for all cases, with members drawn from each of the jointly administered cases with unsecured claimants, or separate committees may be appointed for each of the cases.

12. Nothing contained in the Motion or this Order shall be deemed or construed as directing or otherwise effecting a substantive consolidation of these chapter 11 cases, and this Order shall be without prejudice to the rights of the Debtors to seek entry of an order substantively consolidating their respective cases.

13. The terms and conditions of this Order shall be immediately effective upon entry of the Order.

14. No later than two days after the date this Order is entered on the docket, the Debtors are directed to serve a copy of this Order, and are directed to file a certificate of service no later than 24 hours after such service.
